IV. MATHEMATICS:

C O M P L E T E D

Course: _____

*You need **one** 3 or 4-credit mathematics course numbered 125 or above OR **three** one-credit math courses numbered between 180-199. **MAT 030: Math Lab** and/or **MAT 104: College Algebra** may be needed as prerequisite courses **before** taking the college-level mathematics course. See the **Mathematics and Computer Science Department** (Gillet Hall, Room 211, 718-960-8117) for placement.*

V. CORE COURSES:	<u>SUBSTITUTION</u>	<u>COMPLETED</u>
COR 100: Introduction to the Humanities		Spring 2002
COR 102: Introduction to the Social Sciences	_____	_____
COR 104: Origins of the Modern Age		Spring 2002
COR 106: Introduction to the Natural Sciences	_____	_____

Because a new curriculum has been established, COR classes are no longer offered. Students who have not fulfilled these requirements with COR classes may use the following substitutes:

COR 100 – LEH 300: The Humanities

COR 102 – a second course from Distribution Area I: Social Sciences

COR 104 – a second course from Distribution Area VI: Historical Studies

COR 106 – a second course from Distribution Area II: Natural Sciences

VI. DISTRIBUTION:	<u>COURSE</u>	<u>COMPLETED</u>
Area A: Social Science	_____	_____
Area B: Natural Science	_____	_____
Area C: Literature	_____	_____
Area D: The Arts	COM 213	Spring 2002
Area E: Comparative Culture	_____	_____
Area F: Historical Studies	HIS 250	Fall 2002
Area G: Knowledge, Self, and Values	PHI 170	Fall 2002

The list of distribution courses for this curriculum is available in the Academic Information and Advisement Center, Shuster 280, and as a .pdf file on the Lehman website at:

<http://www.lehman.edu/provost/enrollmentmgmt/advising/pdf/DistributionRequirements-1984-2002.pdf>.

*Please note that you may use no more than **2** courses from any **1** department to satisfy your distribution requirements.*

1. Completion of all CUNY Testing Requirements.
2. A minimum of 120 credits is required for all bachelor's degrees.
3. A **minimum** Lehman College cumulative average of **2.0** in the **overall average, major, AND minor** (if needed).
4. Completion of **at least** 30 credits in residence (i.e., credits earned at Lehman College). These 30 or more credits must include **at least** ½ of the credits in the major and **at least** ½ of the credits in the minor.

Notes:

See the Testing Office in Shuster 205 for an appointment to take the CUNY/ACT Compass Mathematics Skills Assessment Test. Once you have taken the test, see the Mathematics and Computer Science Department in Gillet 211 (718-960-8120) for placement and permission to register. Everyone needs one math course numbered 125 or higher; the recommended math course for Multimedia Journalism is MAT 132: Introduction to Statistics. (MAT 132 can serve as a substitute for BBA 303 in the Management minor.)

See the Languages and Literatures Department in Carman 257 for information on placement testing in Spanish.

You need one substitute course each for COR 102 (Social Sciences distribution courses) and COR 106 (Natural Sciences distribution courses).

You need one distribution course each in Social Science, Natural Science, Literature, and Comparative Culture.

See a faculty advisor in the Journalism, Communication and Theatre Department in Carman 259 (718-960-8217) for advice on your major requirements.

See a faculty advisor in the Economics and Business Department in Carman 377 (718-960-8297) for advice on your major requirements.

To declare your major and minor, pick up the Declaration of Major and Minor form in Shuster 106, have it signed by your faculty advisors, and return the form to Shuster 106. This must be done before your sixty-first credit.

You need at least 120 credits to graduate.
