## TALK WITH YOUR DOCTOR

While studying abroad, you may experience stressful situations that are NOT limited to: not having regularly scheduled meals or not having access to water for taking medications; feeling the emotional stress of culture shock; and feeling physical and emotional fatigue due to traveling and taking classes abroad. Mild physical or psychological disorders can become serious under the stress of life while studying abroad. The Office for Study Abroad strongly recommends you discuss your plans with your physician(s).

Living and studying in a foreign environment frequently creates unexpected physical and emotional stress, which can exacerbate otherwise mild disorders. It is important that you are able to adjust to potentially dramatic changes in climate, diet, living conditions, and studying conditions that may seriously disrupt accustomed patterns of behavior.

Discuss your health history thoroughly with your doctor, paying particular attention to immunizations that may be needed, any allergies you may have, and all currently active health problems. Pay special attention to any emotional or psychological concerns, and any medications you are taking.

You will need to ascertain the availability of medications in the country to which you are going and/or assure that you have an adequate supply of any medication needed to last for the entire period you will be abroad. Any medical condition you have must be under control and you need to be stabilized on your medication for a reasonable period before studying abroad.

I certify that all responses made on this Health Questionnaire are true and accurate, and I will notify the College of Staten Island hereafter of any relevant changes in my health that may occur prior to the start of the program.

## PHYSICIAN'S MEDICAL FORM

Name: \_\_\_\_\_ Date of Birth: \_\_\_\_\_

### Program Location: Chile

Complete the Student's Health Questionnaire prior to having a doctor complete this Physician's Medical Form.

### ***TO THE EXAMINING PHYSICIAN:***

The above named student has been accepted to participate in a Lehman College overseas academic program. You are being asked to evaluate the physical and mental health of this student for safe participation abroad. Living in unfamiliar surroundings overseas can create emotional and physical stresses that may exacerbate even mild disorders.

In Europe and similar areas, culture shock, differences in diet, different cultural mores regarding alcohol and drug use may lead to exaggerated health problems. Students who are studying in Latin America, Asia, and Africa may, at times, be in remote areas exposed to harsh environmental conditions with poor or limited water supply and away from immediate, full-service medical care. Gastrointestinal problems are relatively common. Individuals with certain medical conditions, such as inflammatory bowel disease, can suffer increased problems. Supervision of psychiatric conditions is not practical in many of these locations. MANY countries throughout the world limit or ban certain psychotropic drugs from entering their borders including drugs which are commonly used to treat conditions such as ADD, depression, bipolar or obsessive compulsive disorders.

This report should be based upon an examination made within six months of the expected overseas participation. The new and strenuous environment will tax the physical and mental capabilities of each participant to the fullest. Therefore, it is imperative as a safeguard to the health of the participant, that this report be as complete and precise as possible.

Immunization Month/Year	Immunization Month/Year	Immunization Month/Year
Hepatitis A Hepatitis B Malaria Japanese Encephalitis Cholera	Yellow Fever Rabies Measles, Mumps, Rubella (MMR) Diphtheria, Pertussis, Typhoid (DPT) Small Pox	Tetanus Chickenpox Polio Other

Make sure all childhood immunizations are up to date. The above immunization chart lists immunizations that may or may not be necessary for every country. **Simply let us know the Month/Year for which immunizations were administered to the student according to their medical records.**

If the answer to any of the following questions is "yes," please give details in the space provided or on a separate sheet.

1. Does the applicant have any physical disabilities, which might cause hardship through change of diet, change of climate, carrying his/her own luggage, or strenuous travel?

\_\_\_ Yes \_\_\_ No

2. To your knowledge, are there any predisposing medical, physical, or emotional factors that, under stress of adjusting to life in another country, may require treatment while the student is abroad?

\_\_\_ Yes \_\_\_ No

3. Does the applicant have any dietary restrictions or food or other allergies?

\_\_\_ Yes \_\_\_ No

4. Has the applicant ever suffered from asthma or any other respiratory ailment?

\_\_\_ Yes \_\_\_ No

5. Is the applicant receiving any medication? If so, please attach a statement of such medication with dosage, reason for the prescription, and directions for the study abroad program to keep on file.

\_\_\_ Yes \_\_\_ No

6. Is the applicant currently under treatment or observation for any physical or emotional condition?

**STUDENTS--THIS IS A RELEASE. READ BEFORE SIGNING!!**  
**WAIVER AND RELEASE AGREEMENT**

I, \_\_\_\_\_ (“Applicant”), am a student at \_\_\_\_\_  
College (“College”) of The City University of New York (“University”) and have agreed to participate in  
the College’s international studies program (“Program”) in  
from \_\_\_\_\_, 20\_\_ until \_\_\_\_\_, 20\_\_. In consideration for being  
permitted to participate in the Program, I hereby agree and represent that:

**1. Risks of Study Abroad**

A. I understand that participation in the Program involves risks not found in study at the College. These include risks involved in traveling to and within, and returning from, one or more foreign countries; foreign political, legal, social and economic conditions; different standards of design, safety and maintenance of buildings, public places and conveyances; local medical and weather conditions; and other matters described in the attached U.S. Department of State Consular Information Sheet (and Travel Warning, if any) that I have received, reviewed, and initialed, and which are incorporated by reference in this Waiver and Release Agreement (“Release”).

B. Knowing these risks, and in consideration of being permitted to participate in the Program, I agree, on behalf of my family, heirs and personal representative(s), to assume all the risks and responsibilities surrounding my participation in the Program. I understand that, although the University has made every reasonable effort to assure my safety while participating in the Program, there are unavoidable risks in travel overseas, and I hereby release and promise not to sue the City of New York, the State of New York, the College, the University, and the officers, employees or agents of any and all of them, for any damages or injury (including death) caused by, deriving from, or associated with my participation in the Program, except for such damages or injury as may be caused by the gross negligence or willful misconduct of the officers, employees or agents of any of them.

**2. Institutional Arrangements**

A. I understand that the University does not represent or act as an agent for, and cannot control the acts or omissions of, any host institution, host family, transportation carrier, hotel, tour organizer or other provider of goods or services involved in the Program. I understand that the University is not responsible for matters that are beyond its control. I hereby release the University from any injury, loss, damage, accident, delay or expense arising out of such matters.

B. I understand that, although the University will attempt to maintain the Program as described in its publications and brochures, it reserves the right to change the Program, including the itinerary, travel arrangements and accommodations, at any time and for any reason, with or without notice, and that neither the College, the University, the State of New York, or the City of New York nor the officers, employees or agents of any or all of them, shall be responsible or liable for any expenses or losses that I may sustain because of these changes.

C. I understand that the University is not in any way responsible for my well being with respect to any travel to destinations beyond those specifically required under the Program that I may choose to undertake before, during, or after the Program.

### 3. Health and Safety

A. I have consulted with a medical doctor with regard to my personal medical needs. There are no health-related reasons or problems which preclude or restrict my participation in the Program.

B. I have or will secure health insurance to provide adequate coverage for any injuries or illnesses that I may sustain or experience while participating in the Program. By my signature below I certify that I have confirmed that my health care coverage will adequately cover me while outside the United States, and hereby release the City of New York, the State of New York, the College, the University, and the officers, employees or agents of any and all of them, from any responsibility or liability for expenses incurred by me for injuries or illnesses (including death) occurring during and/or arising from the Program, that I may incur because of those injuries or illnesses.

C. The University may, but is not obligated to, take any actions regarding my health and safety that it considers to be warranted under the circumstances. I agree to pay all expenses relating thereto and release the University from any liability for any such actions.

### 4. Standards of Conduct

A. I understand that each foreign country has its own laws and standards of acceptable conduct, including dress, manners, morals, politics, drug use and behavior. I recognize that behavior that violates those laws or standards could harm the University's relations with those countries and the institutions therein, as well as my own health and safety. I will become informed of, and will abide by, all such laws and standards for each country to or through which I will travel during the Program.

B. I also will comply with the University's rules, standards and instructions for student behavior. I waive and release all claims against the University that arise at a time when I am not under the direct supervision of the University or that are caused by my failure to remain under such supervision or to comply with such rules, standards and instructions.

C. I agree that the University has the right to enforce the standards and conduct described herein, in its sole judgment, and that it may impose restrictions, up to and including removal and termination from the Program, for violating these standards or for any behavior detrimental to or incompatible with the interest, harmony and welfare of the College, the University, the Program or other participants. I agree that, due to the circumstances of foreign study programs, procedures for notice, hearing and appeal applicable to student disciplinary proceedings at the University do not apply. If I am terminated from the Program, I consent to going home at my own expense with no refund of fees.

D. I will attend to any legal problems I encounter with any foreign nationals or government of the host country. The University is not responsible for providing any assistance under such circumstances.

5. Miscellaneous Legal Provisions

A. I agree that, should any provision or aspect of this Release be found to be unenforceable, that all remaining provisions of the Release will remain in full force and effect.

B. I represent that my agreement to the provisions herein is wholly voluntary, and further understand that, prior to signing this Release, I have the right to consult with the adviser, counselor, or attorney of my choice.

C. This Release represents my complete understanding with the College and the University concerning their responsibility and liability for my participation in the Program. It supersedes any previous or contemporaneous understandings I may have had with the College or the University on this subject, whether written or oral, and cannot be changed or amended in any way without my written concurrence.

D. I represent that I am at least eighteen years of age or, if not, that I have secured on the following page, the signature of my parent or guardian as well as my own.
