

**LEHMAN COLLEGE NOW  
SUMMER SCIENCE ACADEMY 2018 (SSA)  
MONDAY JULY 9 – TUESDAY AUGUST 7**

**APPLICATION IS DUE MAY 30th:**

[https://tmg-forms.lehman.edu/CollegeNow/cn\\_formentry.jsp?FormType=SUMSCIENCE](https://tmg-forms.lehman.edu/CollegeNow/cn_formentry.jsp?FormType=SUMSCIENCE)

**Introduction**

The Lehman College Summer Science Academy 2018 (SSA) will provide high school students with a unique opportunity to study **Biology (BIO 166)**, **Chemistry (CHE 137/138)** or **Geographic Sciences (GEP 205)**, which are all college credit lab science courses. Upon successful completion of the program, students will receive **three, four or six credits** from Lehman College. All classes meet on the Lehman College campus Monday – Thursday. **The cost of the program is FREE. College Now covers the cost of tuition, books, metro cards and lunch.**

**Program Schedule**

The College Now Summer Science Academy will meet on the Lehman College campus from **Monday July 9 through Tuesday August 7**. The classes will meet Monday – Thursday from 9:30 am – 4:00 pm (with 45 minute break for lunch). Students must be committed to the full five-week program. Students may apply to one of the following lab science courses: **(1) BIO 166: Principles of Biology (4 credits)** or **(2) CHE 137/138: Elements of Chemistry (6 credits)** or **(3) GEP 205: Principles of Geographic Info Sciences (3 credits)**.

**Eligibility:**

1. You must be a New York City Public High School student.
2. The minimum requirement to be eligible for the 2018 Summer Science Academy is a **75+ on the English Language Arts (ELA) Regents Exam** or **500+ on SAT Evidence Based Reading section** AND **70+ on one CC Math Regents Exam** and have successfully completed **three years of Regents level math including Algebra II/Trigonometry** AND **have overall HS average of 80+**.
3. There are additional regents requirements for BIO 166 and CHE 137/138.
4. You must have passed all other required math, science and history regents exams to date and not be scheduled for summer school.

**Note:** Students that are taking any of the above Regents Exams in June 2018 are encouraged to apply and will be conditionally accepted pending their Regents Exams results. Students will bring an updated transcript with Regents results to Summer Science Academy Registration on **Monday July 2, 2018**.

**The Summer Science Academy 2018 will be using an on-line application. To apply, click on the link below or visit our website:**
