The College Now Programs in the Bronx (Bronx Community College, Hostos Community College and Lehman College) are offering qualified NYC public high school students the opportunity to enroll in college credit math courses through a collaboration of the three Bronx College Now Programs. The College Now Program is **FREE** for qualified students.

Students must be in 11th or 12th grade in spring 2018 and have successfully passed one of the NYS CC mathematics regents with 70+ and will have successfully completed Algebra I, Geometry and Algebra II/Trigonometry by June 30, 2018. All the mathematics courses offered in the Bronx College Now Math Program fulfill CUNY Core requirements in mathematics and quantitative reasoning.

Students **must register to sit for the College Now Math placement exam** (see dates/times below), and based upon the review of the exam students will be placed into one of the following College Now mathematics courses:

MAT 150: COLLEGE ALGEBRA with TRIGONOMETRIC FUNCTIONS @ HOSTOS CC (4 credits, MW from 4:00 - 6:00 pm) – This course introduces the concept of mathematical functions in preparation for further studies in pre-calculus and calculus, including an introduction to the study of trigonometric functions. *College Now students who are current juniors in high school that successfully complete the MAT 150 course with a grade of “B” or better in spring 2018 will be eligible to enroll in MAT 172 (Precalculus, 4 credits) @ Lehman College in fall 2018.*

MAT 172: PRECALCULUS @ LEHMAN COLLEGE (4 credits, MW from 3:55- 5:55 pm) – Polynomial, rational, logarithmic, and trigonometric functions with applications to problems in mathematics and sciences.
