

Senate Meeting – March 11, 2015
Graduate Studies Report

On behalf of the Grad Studies Committee, I'd like to put forth items from the following departments or offices:

Department of Music

- Change in degree requirements: Master's in Applied Teaching and Music Teaching
- Miscellaneous new courses
- Miscellaneous changes to existing courses

Department of Earth, Environmental and Geospatial Sciences

- New courses: GEO 580 and GEO 581

Does anyone have any questions and/or comments?

All those in favor of approving these proposals, please say I. Anyone opposed. Any abstentions?

Our next meeting will be on **April 1, 2015 at 11 a.m. in Carman B33A.**
