### Bridge to College: Your Path to Success: Prepare for CUNY Assessment Tests

An integrated comprehensive skills program designed to assist adult learners as they transition into a college degree program. The primary emphasis of this 50-hour program is to provide a review and test preparation for the CUNY Assessment exams required for admission to The City of New York/Lehman Adult Degree Program. Through in-class reading materials, assignments and homework, students are introduced to time management, note-taking, and good study habit techniques, as well as other concepts to help them maximize their success.
