

THE COST OF YOUR EDUCATION INCLUDES MORE THAN TUITION

The cost of your education, whether it is at CUNY or any other college, includes more than the direct expenses of your tuition and fees. When we calculate your eligibility for financial aid, we assign you a "Cost of Attendance Budget." This budget also includes indirect expenses such as the cost of books, supplies, transportation and miscellaneous personal expenses. Below are the estimated nine-month budgets for full time, NY State resident undergraduate* students living with parents and those students living away from parents.

*Full time graduate students should use **\$11,090** for Tuition. For specific tuition rates and fees, please refer to <http://www.lehman.edu/administration/business-office/bursar-office/tuition-and-fees.php>
