Interactive Factbook:  
<http://www.lehman.edu/institutional-research/InteractiveFactBook.php>

Data Request Form:  
<http://www.lehman.edu/institutional-research/data-request.php>

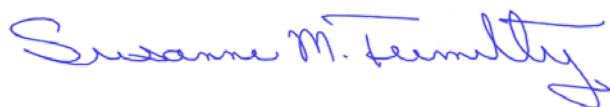

The Lehman College Fact Book is intended to serve the informational needs of the college community including faculty, administration, staff, students and alumni. The Office of Institutional Research and Planning\* has gathered current and the most accurate data available to offer relevant information about the college in all areas.

This Fact Book contains a 10-year history of both undergraduate and graduate student enrollment, performance, and persistence. Also included is information on student demographics, FTEs, minors, declared majors, faculty and staff, budget, financial aid, library, and space inventory. A Table of Contents lists all charts and tables. All of the student information is drawn from the IRDB\*\*, which is maintained by The CUNY Office of Institutional Research and is the official source of enrollment information for the University.

The Fact Book is also published in Interactive format. It was created in Tableau\*\*\*, a specialized analytical software that allows sharing data with better workflows and seamless connections. Please visit our webpage at <http://www.lehman.edu/institutional-research/fact-book.php> for more information.

We encourage the college community to offer comments and suggestions for improvement of future editions of the Fact Book and the expansion of other reporting areas that were not included in this edition.

Our appreciation is extended to all the offices that collaborated in the research and gathering of information for compiling the **2016** Fact Book.

Director of Institutional Research,  
Planning and Assessment

\* Our office name changed as per the Provost's new reorganization plan on July 2016.

### MISSION

Lehman College serves the Bronx and surrounding region as an intellectual, economic, and cultural center. Lehman College provides undergraduate and graduate studies in the liberal arts and sciences and professional education within a dynamic research environment, while embracing diversity and actively engaging students in their academic, personal, and professional development.

### VISION

Lehman College has entered a new era in its history as an institution of higher education. Already known for its outstanding faculty, dedicated staff, superb library, art gallery, theaters, speech and hearing clinic, and athletic facilities, the College has a new state-of-the-art, environmentally "green" science facility that will invigorate faculty and student research as well as prepare Lehman students for science-based careers. Supported by the University's expanding technological resources, the College promotes creative teaching strategies, greater access to courses through online learning, off-campus access to library resources, and enhanced student services. The Multimedia Center stimulates technological innovation in all areas of communications and the arts for both the College and the region. Lehman has always prided itself on its diversity and commitment to multicultural understanding. Lehman College prepares students to live and work in the global community through new interdisciplinary programs, such as environmental studies and international business, along with study abroad and experiential learning opportunities.

The College's geographic information systems and numerous partnerships with schools, hospitals, social service and governmental agencies, small businesses,

major corporations, and cultural and scientific institutions will contribute to the economic development of the region. Service learning and internship opportunities exist to further develop to foster the engaged citizenship and commitment to public service embodied in its namesake, Herbert H. Lehman. Recognized for small classes, close interaction between students and faculty, a successful Teacher Academy and Honors College, and a caring and supportive environment, Lehman College will celebrate its fiftieth anniversary in 2018 as the college of choice in the region, committed to preparing students for graduate studies, professional careers, and lifelong learning.

### VALUES

Lehman College is committed to providing the highest quality education in a caring and supportive environment where respect, integrity, inquiry, creativity, and diversity contribute to individual achievement and the transformation of lives and communities.

November 21, 2014

Dr. Ricardo R. Fernandez  
President  
Lehman College of the City University of New York  
Bronx, NY 10468

Dear Dr. Fernandez:

At its session on November 20, 2014, the Middle States Commission on Higher Education acted:

To accept the Period Review Report and to reaffirm accreditation. The next evaluation visit scheduled for 2018-2019.

Enclosed for your information is a copy of the Statement Accreditation Status for your institution. The Statement of Accreditation Status (SAS) provides important basic information about the institution and its affiliation with the Commission, and it is made available to the public in the Directory of Members and Candidates on the Commission's website at [www.msche.org](http://www.msche.org). Accreditation applies to the institution as detailed in the SAS; institutional information is derived from data provided by the institution through annual reporting and from Commission actions. If any of the institutional information is incorrect, please contact the Commission as soon as possible.

Please check to ensure that published references to your institution's accredited status (catalog, other publications, web page) include the full name, address, and telephone number of the accrediting agency. Further guidance is provided in the Commission's policy statement *Advertising, Student Recruitment, and Representation of Accredited Status*. If the action for your institution includes preparation of a progress report, monitoring report or supplemental report, please see our policy statement on *Follow-up Reports and Visits*. Both policies can be obtained from our website.

Please be assured on the continuing interest of the Commission on Higher Education in the well-being of Lehman College of the City University of New York. If any further clarification is needed regarding the SAS or other items in this letter, please feel free to contact Dr. Tito Guerrero, Vice President.

Sincerely,

George A. Pruitt, Ph.D.  
Chair

cc: Office of the Chancellor, City University of New York, Central Administration

The Middle States Commission on Higher Education accredits institutions of higher education in Delaware, the District of Columbia, Maryland, New Jersey, New York, Pennsylvania, Puerto Rico, the U.S. Virgin Islands, and other locations abroad.

RECEIVED  
OFFICE OF THE  
PRESIDENT  
2014 NOV 24 PM 2:28

Lehman College is accredited by the Commission on Higher Education of the Middle States Association of Colleges and Schools. Degree programs are registered by the New York State Education Department. Some degree programs are also accredited by professional associations.

Nursing programs are accredited by the Commission on Collegiate Nursing Education. Graduates of the undergraduate nursing program are eligible to take the Registered Nurse licensure examination.

The social work program is accredited by the Council on Social Work Education.

The College also offers nutrition programs approved by the American Dietetic Association and a health services administration program approved by the Association of University Programs in Health Administration.

Lehman's B.S. degrees in chemistry are certified by the American Chemical Society.

The graduate program in speech-language pathology is accredited by the American Speech-Language-Hearing Association.

All educator preparation programs offered by the College's School of Education are accredited by the National Council for Accreditation of Teacher Education (NCATE). In addition the College offers State-approved teacher education programs that can lead to New York State provisional or permanent certification.

The School of Education's counselor education program in school counseling offered by the Department of Counseling, Leadership, Literacy, and Special Education is nationally accredited by the Council for Accreditation of Counseling and Related Educational Programs (CACREP).

Lehman's B.S. and M.S. programs in accounting provide the educational preparation required for licensure as a Certified Public Accountant in New York State.

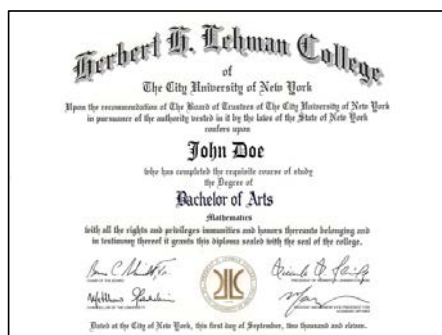

Lehman College has chapters of Phi Beta Kappa, Sigma Xi, and Golden Key National Honor Society. Individual disciplines have their own honor societies with national affiliations.

The College is a member of the National Collegiate Athletic Association and the Eastern Collegiate Athletic Conference.

## Data Dictionary

**Undergraduate Transfer Students:** Matriculants in any undergraduate degree program who have previously earned credit toward this degree for course work completed at another college, including CUNY institutions. Internal transfers (students enrolled in the previous semester on a non-degree basis who matriculate for the first time in the current semester at the same college) and undergraduate readmits are not counted as transfer students.

**Age:** Age is calculated as of the beginning of each fall semester.

**Average Credits:** Includes only credits applicable toward a degree.

**Average Equated Credits:** Includes credits and course hours.

**College Admissions Average:** Students' cumulative average in high school in college preparatory course work. The average is computed on a basis of 0 to 100. Only grades in college-preparatory courses are counted.

**Class / Class Standing:** An indicator of degree progress based on cumulative degree credits earned prior to the current semester. For undergraduates, class standing is calculated as follows: Freshman: 0 to 29.9 credits; Sophomore: 30 to 59.9 credits; Junior: 60 to 89.9 credits; Senior: 90 to 120+credits

**First-time Freshmen:** Students matriculating for the first time in an undergraduate degree program who have not previously earned credit toward this degree from any college or university. Students who enroll as first-time freshmen during a summer session are counted as first-time freshmen in the following fall term.

**First-time Graduate Students:** Students matriculating for the first time in a graduate degree program.

**Full-time:** Students taking 12 or more credits are considered full-time.

**Full-time Equivalent (FTE):** A standardized measure of enrollment equal to a full-time load of credits and hours. Undergraduate FTEs are calculated as the total of credits associated with course enrollment divided by 15. Graduate FTEs equal credits divided by 12.

**High School Units:** A unit is equal to one year of study. For example, one unit of math equals one year of math; one-half unit of English equals one semester of English.

**Lower Division / Upper Division:** For the purpose of categorizing enrollments, students are sometimes classed as lower division (freshmen and sophomores) or upper division (juniors and seniors).

**Non-degree Enrollment:** Non-degree students are enrolled in credit-bearing courses, but are not matriculated in a degree program. Non-degree students are not eligible for financial aid. Non-degree enrollment is a component of total enrollment reported here.

**Race/Ethnicity:** Since the Fall of 1988, CUNY has gathered information on race and ethnicity from its application form. Students are asked which category best describes them: Black, White, non-Hispanic, Hispanic, Asian or Pacific Islander, American Indian or Alaskan Native.

**Readmitted Students:** Returning students who have previously attended and left the college.

**Residency:** The county, state, or country of which the student is a legal resident.

**SEEK Program:** Students are eligible for the SEEK Program (Search for Education, Elevation and Knowledge) at CUNY's senior colleges -- if they are academically and economically disadvantaged, have a high school diploma or GED, and have not previously attended a college or university.

**Student/ Faculty Ratio:** The number of students who attend college by the number of teachers in the institution. The Student/Faculty Ratio is calculated by dividing the sum of Full-Time Students and 1/3 Part-Time Students by the sum of Full-Time Faculty and 1/3 Part-Time Faculty.

**Faculty Full-Time Equivalent:** Full-Time Faculty + (part-time faculty/3) \*

**Calculating Overall Average Age of Students:** Sum of all students ages divided by total sum of students entries.

$$\text{Average Age} = \frac{\text{Sum of all students ages}}{\text{Sum of all student entries}}$$

\* IPEDS Formula
