Departme	nt of College Affected	All Academic Departments
Brief Narr	ative:	

Access: Time and Materials Maintenance for systems in student classrooms/labs on campus and contingency fund.

While many older computer systems are still in use, there is a need for maintenance of these systems to keep classrooms and instructional labs functioning. Also networked laser printers used in these facilities need occasional repair to keep them operational. These funds will address this need. This fund now includes replacement of projector bulbs and similar maintenance issues, and establishes a contingency fund for unexpected, but necessary, expenditures (e.g. mandatory upgrade of software because old software will no longer function).

Project cost: \$75,000.
