Planning the 2018/2018 roadmap:

## IT Initiatives Linked to Strategic Goals

## IT Initiatives 2018-2019

Build capacity to expand access, increase completion, & reduce time to degree

Modernize classroom technology

Pilot conversational chatbot for students

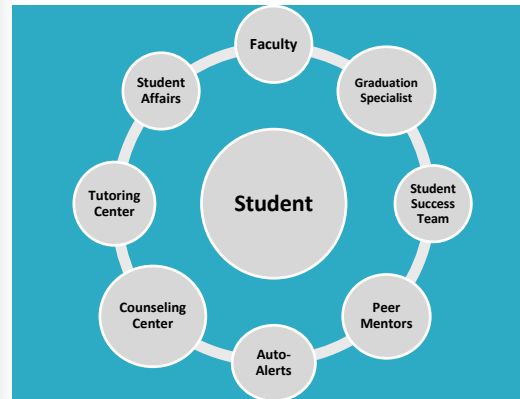

Introduce badges/micro-credentials to support student achievement

IT Initiatives 2018-2019

Optimize resource allocation practices

Pilot mobile scheduling system to reduce wait lines

Pilot smart early alert/retention prototype

Develop dynamic degree map pilot

## IT Initiatives 2018-2019

Establish robust data analytics operation

Increase use of Student Success Dashboard

Launch Lehman 360 v3

Expand smart data discovery tools

## IT Initiatives 2018-2019

Engage the community  
to chart 90x30

Expand Lightning Ideas for  
crowdsourcing

Inspire with Lehman Stories &  
amplify with web eco-system

Increase digital equity to  
support educational  
attainment & enhance data  
governance
