

CUNY INSTITUTE FOR IRISH-AMERICAN STUDIES

RESEARCH • DISTANCE EDUCATION • PUBLIC LECTURES

Research at CUNYIAS:

The Institute is actively pursuing research in the following areas:

Publishing in Irish-America:1820-1922

Great Irish Famine Curriculum

The New Irish and Film

Teaching Irish in America

Return Emigration

Mapping Irish-America

The Irish in the Americas

More information about these projects can be found at our website.

Distance Education at CUNYIAS:

The Institute, while not a course offering department, does facilitate the offering of distance education Irish-American Studies courses through a number of academic departments at Lehman College and with special cooperation with the Irish Studies Program at Queens College and Continuing Education and Public Programs at the CUNY Graduate Center. To date, Irish-American Studies distance education courses have been offered in the fields of education, history, and the Irish language.

Public Lectures at CUNYIAS:

Since 2000, the Institute has welcomed a wide selection of notable contributors to Irish-America to speak and perform at our campuses. A sample of such speakers would include Prof. Matthew Jockers, Prof. Maureen Murphy, Prof. Margaret Mulrooney, Prof. Susan Schreibman, Mr. Niall O Leary, Prof. Joe Lee, Prof. Christine Kinealy, Dr. David Barnwell, Mr. Peter Flynn, Dr. Úna Ní Bhroiméil, Mr. Adrian Flannelly, and Prof. Cormac Ó Gráda from the Fall 2005 public lecture series.

- Copy of in-house monthly newsletter
- Copy of events brochure each semester
- Announcements of lectures and special events/tours
- Research assistance by qualified archivist and full use of our archive
- First option to reserve places on our tours (Ireland & around the US)

The Institute for Irish-American Studies of the City University of New York (CUNY) is the only research institute of its kind in the United States that focuses exclusively on the Irish-American experience and seeks to serve a national audience in addition to the surrounding community. The main activities of the Institute are research projects of a national importance, lectures and symposia by prominent scholars in the field, distance education courses, and service at both the local and national level.
