TRAFFIC ENFORCEMENT AND PENALTIES

Lehman College employs Campus Peace Officers to ensure the safety of all individuals and property. All individuals using College parking facilities are expected to cooperate fully with officers and accept their directions and suggestions. In accordance with College policy, Public Safety Officers will place “Illegally Parked” summonses on vehicles as appropriate and immobilize vehicles when necessary. Anyone who repeatedly violates College parking and traffic regulations and does not pay the fines imposed will forfeit their privilege of using College parking facilities.

Please note that:

- Owners of illegally parked or operated vehicles are subject to disciplinary action, including, but not limited to, the suspension of campus parking privileges.
- Parked vehicles that pose an imminent threat to public safety are subject to removal from campus at the owner’s expense.
- Where applicable, the New York State Vehicle and Traffic Law as well as the New York City Traffic Regulations are in effect. Where applicable, these regulations also apply to cyclists.
