ABOUT US

Named for the founding President of Lehman College, the Leonard Lief Library is a state-of-the-art research facility housed in a modern, four-story building. The collections, library faculty and staff, and programs support Lehman’s undergraduate and graduate curriculum. Reference librarians provide research support to students, faculty, and visitors, and offer instruction. Library faculty is available by appointment for individual consultation.

The library website (http://www.lehman.cuny.edu/library/) is a dynamic information portal with links to the CUNY+ library catalog, nearly 200 online databases, numerous electronic journals, plus recommended authoritative research websites. These electronic resources are available to the Lehman community both onsite and off-campus. An open stacks book collection of 682,848 volumes is supplemented by a microfilm collection and growing multimedia holdings. The Library is a designated Federal depository for government documents, open to community members by appointment.

CUNY students and faculty may borrow books from all CUNY libraries. Interlibrary Loan services are available to faculty and graduate students. A continually updated Reserve collection includes textbooks, journal articles, and course materials.

HOW FRIENDS OF THE LEONARD LIEF LIBRARY CAN HELP

Friends of the Lehman College Library provide private financial support for collections, electronic resources, and technology. Rapid developments in information place increased demands on libraries as the portal to print, electronic, and multimedia resources. In the face of escalating costs of library materials, support of the Library's Friends is more critical than ever. By making a minimum gift of $50, you underwrite the Library and become entitled to access privileges, as well as other benefits. Larger gifts provide even greater support for sustaining the information resources required for Lehman students and faculty.
