Configuring iPhone and iPad [IOS 6] for New Wireless Network in the Library

1. Open Settings

2. Select WiFi from the left. Ensure WiFi is turned on. Select Other under Choose a Network.

3. Tap lehman_college in the Choose a Network… box

4. Type in your Lehman ID Username and Password. This is the same used for printing. Tap Join.

5. Tap Accept

6. The iPad/iPhone is now connected to the lehman_college wireless network
