LETTER FROM THE PROVOST

Dear Colleagues,

While it is true that Lehman College, like its many sister institutions here in New York and across the country, cannot avoid the impact of the enormous economic challenges facing our state and our nation, it is also true that Lehman College continues to move forward in important and innovative ways. As this edition of Academic Affairs illustrates, Lehman’s faculty and staff continue to find new ways to reach out to students, and to support our faculty and our community. As we strive to face these challenges while serving the needs of our students and community, we also celebrate our success as a dynamic intellectual center. There is much in these pages that is not to be missed. Please mark your calendars for the many forthcoming events, including the dedication of the Multimedia Center. We look forward to your participation throughout the remaining weeks of this Spring semester.

Dr. Mary A. Papazian
Provost and Senior Vice President for Academic Affairs

ADULT AND CONTINUING EDUCATION RECEIVES WORKFORCE DEVELOPMENT AWARD

The Division of Adult and Continuing Education has received the 2010 Workforce Development Opportunity Award from the New York City Employment and Training Coalition. This prestigious annual award recognizes best practices/models in seven categories. Lehman College’s “Collaborative Health Workforce Model” won in the category of Encouraging Career Advancement in a Growth Sector. The announcement was released in the 2010 Workforce Development publication, which is distributed throughout New York City to organizations including the Mayor’s Office, colleges, city agencies, labor unions, and non-profit organizations.

— Dr. Marzie Jafari
