Making a difference in the life of the region and its people

Graduate and undergraduate programs in the arts and sciences, education, business, nursing, social work, and other fields—some the first or only ones of their kind.

Historic campus that blends Gothic architecture with notable buildings by leading contemporary architects, plus more than 300 trees on 37 acres.

The finest in cultural offerings at Lehman Center for the Performing Arts, the Lehman College Art Gallery, Lehman Stages, and the Lehman Music Department.

Groundbreaking research that is opening new doors in our understanding of ourselves and the world around us.

Personal Development Workshops in art, music, languages, physical fitness, dance, cooking, computers, and other areas, including special Fabulous 55+ offerings for mature adults.

Year-Round children's programs for young people aged 4-16, including a special summer camp and other full- and part-time summer programs.

We're conveniently located in the northwest Bronx, with free attended parking for visitors to our events. More than 12,000 students are pursuing degree programs, another 12,000 are taking Adult Degree and Continuing Education courses, and hundreds of thousands more attend our lectures, exhibits, and performances each year.

World-Class facilities from a $16 million Multimedia Center (above) to a $270 million science building (below) now under construction.

Community outreach, including the Lehman Speech and Hearing Center that has helped families and individuals for more than twenty-five years; the Bronx Small Business Development Center, with an economic impact on the borough of $75 million over the past ten years; and the Bronx Institute, helping more than 5,000 Bronx schoolchildren become academically successful.
