

Accounting

Master of Science

Applicants for the Master of Science Degree in Accounting (M.S.A.) who have completed the B.S. in Accounting from Lehman College or an equivalent undergraduate accounting degree from an accredited US institution can earn an M.S.A. degree by completing a total of 30 graduate credits.

Students in the M.S.A. program must maintain a minimum GPA of 3.0. Students who complete this program and earn their degree in Accounting will have completed all of the educational requirements to be licensed as a CPA in New York State.

ADMISSIONS REQUIREMENTS

- Official transcripts from **all** post-secondary institutions attended
 - A bachelor's degree in Accounting from an accredited college or university
 - A minimum undergraduate GPA of 3.0
- Two letters of recommendation
- Current professional resume
- A 500-word essay outlining intellectual and academic interests, accomplishments, and career objectives
- GMAT Score is OPTIONAL
- The undergraduate degree must include:
 - 36 credits in U.S. GAAP and GAAS accounting (Advanced Accounting, Cost Accounting, Taxation, and Auditing)
 - 24-27 credits in business courses:
 - 6 credits in Law
 - 6 credits in Economics
 - 6 credits in Finance
 - 6 credits in Quantitative Methods
 - 3 credits in Computer Science

International Students

- Must obtain a satisfactory score on the TOEFL and comply with the financial and visa requirements
- International students who have earned their baccalaureate from a foreign university in which the language of instruction was in English are exempt from the TOEFL requirement
