# COMMENCEMENT SPEAKER AND HONORARY DEGREE RECIPIENT

Joseph Saddler, a.k.a. DJ Grandmaster Flash

Joseph Saddler, a.k.a. DJ Grandmaster Flash, is one of hip hop’s originators. Born in Barbados in 1958, he was raised—and launched his career—in the Bronx.

In the late 1970s, before hip hop was a musical genre with worldwide appeal, Saddler began spinning records at neighborhood block parties in the Bronx. With innovative methods and concepts that included “cutting,” “scratching,” and “transforming,” his technique soon attracted break dancers and emcees, who would follow him to events so they could perform over his beats. Then he started his own group, Grandmaster Flash and the Furious Five. Their reputation was based on his unrivaled skills as a DJ and his acrobatic performances—spinning and cutting vinyl with his fingers, toes, elbows, and any object at hand.

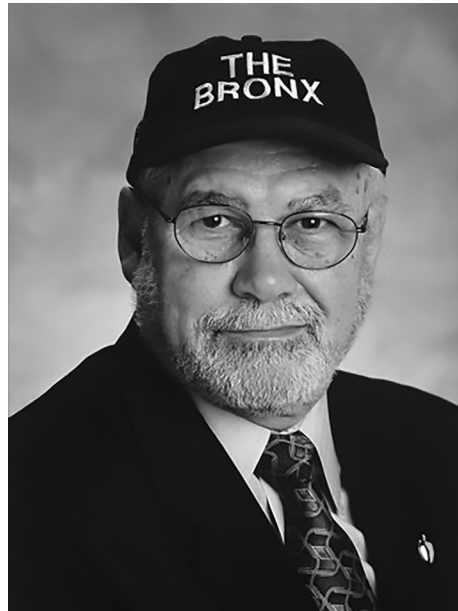

Grandmaster Flash and the Furious Five went multi-platinum with their single, “The Message.” Their single “The Adventures of Grandmaster Flash on the Wheels of Steel” introduced DJing to a global audience, and became the first DJ composition to be recorded by another DJ. The group’s fame continued to grow with “Superappin,” “Freedom,” “Larry’s Dance Theme,” “You Know What Time It Is” and many more hits.

Saddler’s recognitions include a Grammy Lifetime Achievement Award; the BET Icon Award for his contributions to hip hop; the RIAA Lifetime Achievement Award; the Vanguard Award; the Polar Music Prize; and the Bronx Walk of Fame. In 2007 Grandmaster Flash and the Furious Five were inducted into the Rock and Roll Hall of Fame—the first hip hop group to receive this honor.

Saddler was the first DJ to play the turntables as a musical instrument, laying the groundwork for everything a DJ can do with a record today, other than letting it play. He was dubbed the “Toscanini of the turntables.”

# HONORARY DEGREE RECIPIENT

## The Honorable José Rivera

José Rivera, a veteran community organizer and advocate for the people of the Bronx, first entered public service in 1982, when he was elected to the New York State Assembly. During a four-decade career representing the Bronx—in both the State Assembly and on the New York City Council—he fought to elevate health, wellbeing, and quality of life in communities across the borough. Among his many causes, he pushed for a higher minimum wage, new and improved green space, and a modernized water filtration system. Remembering his own struggles as a Puerto Rican migrant, he advocated for immigrant New Yorkers by supporting DACA and drivers’ licenses for all. In 2000, Rivera was chosen to lead the Bronx Democratic Party. He used his long tenure in that capacity to increase Latino political representation at all levels of government and advance racial and gender diversity in the Bronx Court system.

Throughout his time in office, Rivera—a staunch believer in the power of higher education—found tangible ways to support the expansion and excellence of Lehman College, while challenging it to serve as both a beacon of opportunity and a resource for its neighbors. In particular, his support of the APEX sports center, the Performing Arts Center, and the Lehman College Art Gallery speak to his vision of a borough where educational and cultural institutions are deeply engaged with the communities they call home, and that world-class facilities are accessible to all.

# CONGRATULATORY MESSAGE

From the Vice President for Student Affairs  
**Jermaine A. Wright, Ph.D.**

Congratulations for staying the course in the face of unprecedented and difficult times.

You made it to the finish line because you were resilient, persistent, and determined to achieve academic success. Let it soak in that you have accomplished no small feat, because according to the U.S. Census Bureau, only one-third of the adult population in the United States has a bachelor's degree or higher. I know that you feel a sense of accomplishment and pride in the completion of your degree, and the entire Lehman College community is also proud of your achievement.

College provides students with an opportunity to grow, develop, and find themselves. I am hopeful that you used this training ground as a chance to try something new, have teachable moments, and establish lasting friendships. As you embark on the next chapter in your life, whether it be a career or furthering your education, trust that Lehman has provided you with a solid foundation.

Lehman College is a special place, ranking highly among Hispanic-Serving Institutions. It is among

the top five U.S. colleges distinguished by a high social mobility rate—helping students transition from low income to middle income, according to the Brookings Middle Class Mobility Report. This report used the same data and similar methodology as the pioneering and widely cited 2017 study led by economist Raj Chetty. He assessed more than 1,600 colleges and ranked the schools according to the percentage of graduates who came from the bottom twenty percent in income level and rose to the top twenty percent. The class of 2023 now joins 90,000+ Lehman alumni who have proven these statistics true.

Students are the heart of Lehman College. In the years to come, I hope you will keep Lehman in your own heart. I wish you continued success as you go out into the world determined to make change. In the words of novelist and activist James Baldwin, “not everything that is faced can be changed, but nothing can be changed until it is faced.”

Congratulations once again!

**HERBERT H. LEHMAN**  
GOVERNOR, SENATOR, STATESMAN  
1878–1963

Herbert H. Lehman represents the highest standards of honor and integrity in public service.

During four terms as governor of New York State and two terms in the U.S. Senate, he strove to abolish social injustice. He opposed discrimination while supporting reforms that protected union membership and established unemployment insurance. In addition, he began programs for slum clearance and construction of affordable housing. As the first director general of the United Nations Relief and Rehabilitation Administration (UNRRA), he supervised the largest relief effort in history with the shipment of more than 25 million tons of supplies to refugees of World War II. In doing so, he created the forerunner of the United Nations High Commissioner for Refugees. UNRRA also led to the establishment of UNICEF, UNESCO, WHO, and other social agencies of the world organization.

Lehman College, the only senior college of The City University of New York in the Bronx, was formally dedicated in Governor Lehman's name on March 28, 1969, the 91st anniversary of his birth. Today, nearly 15,000 undergraduate and graduate students are enrolled in more than 140 degree programs. In addition, another 11,000 people are enrolled in adult degree and certificate programs. Each spring, the College commemorates Governor Lehman's birth, and its dedication in his name, by inviting a distinguished guest to deliver the Herbert H. Lehman Memorial Lecture.

### ALMA MATER

There's a college living in the green  
Where the young and old and in between  
Come to add their luster to the name  
Herbert Lehman earned before they came  
And because of what its children give  
Lehman College finds the strength to live  
As a whole nobly greater than its parts  
And alive forever in their hearts  
Oh may you, Alma Mater,  
Grow in stature through the years  
And cherish those who come to you  
With hopes and dreams and fears  
A home in which they learn to be  
Honest heirs of a precious legacy  
Of beauty, truth, and eternal youth  
In mind and spirit free
