Faculty Fellowship Publication Program

2015-2016

DESCRIPTION

The Faculty Fellowship Publication Program (FFPP) is sponsored by the Office of the Dean for Recruitment and Diversity in order to advance CUNY's institutional commitment to diversity. This University-wide initiative assists full-time untenured CUNY faculty (assistant professors) in the design and execution of writing projects essential to progress toward tenure. These projects may include research-based scholarly articles for juried journals, books for academic presses and creative writing projects. This program provides three credit hours of course release for the spring semester, a discipline-based writing group, and the guidance of a senior faculty member.

ELIGIBILITY

- Be an untenured assistant professor hired on a tenure-track line, on or between September 2009 and September 2014,
- Be reappointed for the academic year 2015-2016, and
- Have a doctorate or required terminal degree for teaching in your discipline (e.g., MFA for faculty in creative writing and/or film programs).
