Commencement day offers the Lehman College community an opportunity to celebrate the awarding of its highest honor – the granting of a degree. Please note on your calendar the following arrangements for the 2017 commencement ceremony scheduled for Thursday June 1, 2017 at 10:00 AM.

The commencement ceremony will be held on the south field of the campus, rain or shine. Faculty and other instructional staff who will be participating in the procession are asked to assemble in the East Dining Room on the first floor of the Music Building. There is no rehearsal. A light breakfast will be available in the East Dining Room starting at 8:30 AM.

In accordance with long established practice, all full-time members of the faculty are expected to take part in the procession. All administrative officers of the college are also expected to attend. An invitation to participate in the academic procession is also extended to all other members of the instructional staff including adjunct professors, visiting professors, HEO's and retired faculty who, if they wish to attend, are asked to notify their department chairs.

The procession line will form in the East Dining Room at approximately 9:15 AM. The entire ceremony will last approximately 1 1/2 hours. A reception for graduates, their guests and all members of the college community will be held after the ceremony in the campus quad in front of the Music Building.
