

LEHMAN COLLEGE INSTITUTIONAL REVIEW BOARD
Reviewer's Checklist

	Yes	No	NA
1. Are risks greater than “minimal risks” [*] ? If yes, are risks minimized? Comment: _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3. Does the study involve subjects from vulnerable populations? Comment: _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
4. Are risks reasonable in relation to benefits? Comment: _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
5. Is subject selection equitable (e.g., subject population included/excluded; risks of coercion in recruitment)? Comment: _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
6. Is the process for obtaining consent appropriate? Comment: _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
7. Is informed consent appropriately documented? Comment: _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
8. Does the project involve collection of private health information (PHI)? Comment: _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
9. Is there adequate provision for monitoring the data collection to insure safety of subjects? Comment: _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
10. Are the provisions for protecting privacy adequate? Comment: _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
11. Are the provisions for maintaining confidentiality adequate? Comment: _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
12. Have additional safeguards for subjects vulnerable to coercion or undue influence been included? Comment: _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
13. Is “annual” continuing review sufficient? Comment: _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
14. Do the research staff/investigators have appropriate expertise to perform their responsibilities in the study? Comment: _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
15. Does the research setting (e.g., location of research, facilities) provide adequate safeguards for protection of human subjects? Comment: _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

^{*} “minimal risk” means that the probability and magnitude of harm or discomfort anticipated in the research are not greater in and for themselves from those ordinarily encountered in daily life or during the performance of routine physical or psychological examination or tests.
