

BRONX COMMUNITY COLLEGE OF THE CITY UNIVERSITY OF NEW YORK
CUNY ARTICULATION AGREEMENT FORM

A. SENDING AND RECEIVING INSTITUTIONS

Sending College: **Bronx Community College of the City University of New York**

Department: Health, Physical Education and Wellness

Program: Community/School Health Education

Degree: Associate in Science

Receiving College: **Herbert H. Lehman College of the City University of New York**

Department: Health Sciences

Program: Health Education and Promotion

Degree: Bachelor of Science

B. ADMISSION REQUIREMENTS FOR SENIOR COLLEGE PROGRAM

(e.g., minimum GPA, audition/portfolio):

About the Program

Health education aims primarily to motivate individuals and groups in various settings to assume greater responsibility for their health by learning and adopting behaviors that promote health and prevent disease. This is a rapidly expanding field that has received added impetus from recent Federal legislation emphasizing disease prevention and health promotion as major priorities of national social policy.

The program is designed to prepare students for careers in community health education. Students will be able to develop, manage, and evaluate health education and promotion programs in a variety of settings where such programs are implemented. These include public and community agencies, business and industry, hospitals, and other types of clinical facilities.

The program includes two options, one in community health and the other in community health and nutrition. Satisfactory completion of all program requirements in community health enables students to apply for certification as a Health Education Specialist, awarded by the National Commission for Health Education Credentialing.

Admissions and Applications

Application Deadlines: Spring Admissions-September 15, Fall Admissions-February 1

CUNY Transfer Application is available online at www.cuny.edu

CUNY Application Processing Center: 212.997.CUNY

Please note that students must have completed one college-level course in mathematics and English with a grade of "C" or better. Additionally, if more than one college was attended, the GPA for admissions will be determined through a combination calculation of all attempted coursework.

Associate in Science Degree from Bronx Community College.

Bronx Community College graduates with the Associate Degree in Community/School Health Education will receive 60 credits toward the Bachelor of Science in Community Health Education at Herbert H. Lehman College. In addition, they will be deemed to have met all general education requirements at Bronx Community College.

Total transfer credits granted toward the baccalaureate degree: 60

Total additional credits required at the senior college to complete baccalaureate degree: 60

TOTAL	60

E. Articulation Agreement Follow-Up Procedures

1. Procedures for reviewing, up-dating, modifying or terminating agreement:

Bronx Community College Community/School Health Curriculum Coordinator and Lehman Health Sciences Chair will revisit the agreement after implementation of CUNY Pathways.

2. Procedures for evaluating agreement, e.g., tracking the number of students who transfer under the articulation agreement and their success:

After transfer into the Lehman Community Health Education and Promotion major, the performance of Bronx Community College students will be tracked using the CUNY Institutional Research Data Base.

Additionally, these students will be surveyed after graduation from Lehman to determine educational and occupational experience and success.

3. Sending and receiving college procedures for publicizing agreement, e.g., college catalogs, transfer advisers, Websites, etc.:

Notice of articulation will be placed in the respective catalogues, recruiting brochures, websites, and on the CUNY TIPPS website.

Respective transfer advisers will be informed and provided with copies of this agreement.

The Department of the Health Sciences will coordinate efforts with Lehman's Admissions Office to make certain that materials are sent with recruitment officers for BCC's Transfer Day event.
