3) GENERAL EDUCATION ADVISEMENT:
- Once you review your Transfer Credit Evaluation (TCE), schedule a general education advising appointment: www.lehman.edu/advisingappointment
- If we are unable to evaluate a college course you’ve taken at a previous school, you must go to the appropriate Lehman academic department for a faculty advisor’s signature. Please remember to provide faculty with a description of the course(s) taken from previous schools (see enclosed form for location of departments). Do NOT register for any course(s) that may be repeated otherwise it will affect your TAP eligibility. Once you’ve acquired all of the required signatures, please return the TCE to the Admissions Office in Shuster Hall, Room 161.
- Non Accredited Institutions: Lehman may accept up to 32 transfer credits from an unaccredited college after you have completed 30 credits at Lehman with a G.P.A. of 2.0 or better. Only courses that are equivalent to Lehman courses as determined by the departmental advisors are transferable. Courses evaluated as elective courses cannot transfer. Please inform the office of transfer evaluations (718-960-7218 or ext. 8133) once you have completed 30 credits at Lehman College so your TCE can be updated.
- Second Degree students who are pursuing a second Bachelor’s Degree should pick up a Second Degree Contract and obtain a registration date from Academic Advisement (Shuster Hall, Room 280); and see a faculty advisor for your chosen major.
- Contact the Testing Office, Shuster Hall, Room 205 or 718-960-8156 to verify if testing is needed.

4) MAJOR/MINOR ADVISEMENT:
- Contact the Faculty Advisor for your chosen major to schedule an advising session.

5) DECLARATION OF MAJOR:
- If we have accepted 45 or more credits, within the first two weeks of class you must: 1) Declare a major in the appropriate academic department (where you’ll receive a declaration form with a signature from the Faculty Advisor); 2) File the form in the Registrar’s office, Shuster Hall, Room 106. Failure to do so may affect your TAP eligibility.
- PLEASE NOTE: If you are interested in the Nursing or Social Work major, you must fill out an additional application for the respective department once you are accepted to Lehman College. We strongly encourage you to apply to Lehman as early as possible to allow enough time to receive a decision letter before the Nursing or Social Work application deadlines. The Nursing deadline is March 15 (Registered Nurses do NOT have to fill out a nursing application). Social Work does not have a deadline and reviews applications on a rolling admissions basis.

6) SUBMIT DOCUMENTS:
- Submit immunization information (proof of Measles, Mumps, Rubella and Meningitis vaccine) to the Student Health Center, T3 Building, Room 118. www.lehman.edu/student-health-center/
- Also bring any other document(s) the Office of Admissions has notified you to submit, for example:
  - proof of residency
  - proof of degree
  - Updated transcript with final semester grades
- Any documents missing from your application file will result in a hold (negative service indicator) on your academic record.
