## AWARD WINNING COACHES ANNOUNCE SUMMER BASKETBALL CAMP

City University of New York (CUNY) 2004-05 "Coaches of the Year" Eric Harrison (Women's), and Steve Schulman (Men's) announce the 5<sup>th</sup> annual Eric Harrison & Steve Schulman Basketball Camp to be held on the campus of Lehman College. The camp which is open to boys and girls ages 7-18 will be held the week of Monday August 8<sup>th</sup> through Friday August 12<sup>th</sup>.

The camp focuses on teaching youngsters the fundamentals of the game of basketball. Skills such as shooting, dribbling and passing are emphasized along with teaching teamwork and good sportsmanship. The camp staff consists of some of the premiere coaches from the high school and college ranks.

"What makes our camp unique is that there is something for players of all levels, from the beginner to the advanced player," says Coach Harrison. "It is something special to see kids working hard learning the game of basketball."

With the success of both the men and women's basketball programs at Lehman, this camp gives the coaches a chance to give back to the youth of the Bronx communities.

"The Bronx community supports us throughout the season and this is a great opportunity to give back to the kids," said Coach Schulman. "After coaching our players all season, the chance to coach kids of all ages at the camp is something we look forward to doing."

Every year the camp boasts some of the top guest speakers from the New York City area. Last year the camp featured former Manhattan College star and current member of the NBA's Denver Nuggets, Luis Flores.

"It is fantastic for the kids to get a chance to learn from someone as talented and respected as Luis Flores," said Schulman. "Throughout the camp week we provide some very interesting speakers to give the campers insight into basketball."

The camp session is held from 9am- 4pm. The registration fee for the camp is \$175 per child. For further information about the Basketball Camp, feel free to contact the basketball offices at (718)960-7175/7745.
