## LEHMAN COLLEGE SPORTS WEEK IN REVIEW

### Lehman Downs Maritime In Men's Swimming

Bronx, NY- It was a case of sink and swim when the Lehman College Swimming Teams went up against the SUNY Maritime Privateers on Thursday evening at the Ft. Schuyler Campus in the Bronx.

The Lightning men continued their swim to the top defeating Maritime 111-103 while being led by 2005 CUNY

Swimmer of the Year Darnell James winning 3 events (1000 Free, 100 Fly, and 500 Free). The meet was won on the overall strength of the Lehman team which is developing into it's most versatile group in many years. Taking 9 of the 13 events with five 1-2 finishes gave the men a well deserved victory.

Joseph Bodden and Bud Rivera tied for 1st in the 50 Freestyle. Hector Pena and Jose Arita continued to drop time on their Butterfly and Breaststrokes

respectively, and Jose Centeno won the 100 Back. Steve Guerrero, Miguel Delgado, and Walter Lugo continue to swim events in preparation for the February Championship season. The diving tandem of Juan Aguirre and Victor Onyekwere sealed the win with a double 1-2 finish in the 1m and 3m diving events. The team record stands at 2 - 1 with a scrimmage on Sunday December 11 before the semester break and the start of the conference schedule in early January.

### Lehman Names Divina Arroyo New Head Men's Volleyball Coach

**For Immediate  
Release  
(November 29, 2005)**

Bronx, NY- Lehman College athletic department has named former Lightning star Divina Arroyo as its new men's volleyball coach.

Arroyo, a former member of the women's squad from 1997-2001, was the team captain all four years, and was pivotal in Lehman's first appearance in the 2001 CUNY championship game.

"I am looking forward to the challenge of leading the Lehman men's volleyball program," said Arroyo. "The opportunity to coach at the collegiate level, especially at my alma mater is something that I take great pride in."

Dr. Martin L. Zwiren, Director of Athletics, said "the addition of Arroyo as our men's volleyball coach opens a leadership position for a woman in our athletic program. Arroyo's knowledge of the game and her ability to teach fundamentals and recruit players will build on what has been a very successful and popular varsity sport."

Anderson Camacho, a member of the 2002 squad which advanced to the Molten National Final Four will be retained as an assistant coach to Arroyo.

Arroyo inherits a team which finished 7-16 last season and failed to qualify for the CUNY tournament for the first time in the program's history.
