I understand that:

- TEACH Grant is only available to students who are training to become certified teachers in a high-need subject field...
I must enroll in courses and accumulate credits necessary for the completion of teacher certification...
For each year that I wish to receive TEACH Grant funds, I must file a FAFSA...
Each year's TEACH Grant award requires that I complete a new 'Agreement to Serve' contract.
TEACH Grant participation requires yearly TEACH Grant Entrance Counseling.
I must maintain a cumulative undergraduate and graduate GPA of at least 3.25...
I must complete a four (4) year service obligation within eight (8) years of finishing my teacher training.
Upon completion of each year of teaching service, it is my responsibility to submit to the Direct Loan Service Center documentation of such service.

By signing this form, I certify that I have read this form and request that Lehman College determine my eligibility or continued eligibility for TEACH Grant funds. If it is determined that I am TEACH Grant eligible, I further request that this grant be added to my financial aid award package.

I understand that should I receive TEACH Grant funding and fail to complete the service obligation, all of my TEACH Grant funds will be converted into a Federal Direct Unsubsidized Stafford Loan, with interest accrued and capitalized from the date(s) of original disbursement(s). Once this grant is converted to a loan, it cannot be converted back to a grant.
