CAMPUS SPECIFIC INFORMATION
The Health Services Administration Program (BS) in the Department of Health Sciences at Lehman College invites applications for a tenure-track position based at Lehman at the Assistant or Associate Professor rank to begin Fall 2011. The 55-credit undergraduate program aims to provide the knowledge and skills needed by health care administrators in hospitals, nursing homes, community health facilities, insurance companies, health maintenance and other managed care organizations. The successful candidate is expected to teach and advise students, engage in scholarly research and publication, seek outside funding, and actively participate in Departmental and College committees and professional organizations.

Please note: Candidates may also apply for the rank of Lecturer. Requirements for Lecturer are detailed below.

MINIMUM QUALIFICATIONS
Ph.D. degree in area(s) of expertise, or equivalent as noted below. Also required are the ability to teach successfully, interest in productive scholarship or creative achievement, and ability to cooperate with others for the good of the institution.

OTHER QUALIFICATIONS
Candidates must have a doctoral degree in health administration, management, or a related field, or equivalent, and evidence of the potential for active research and publication in health services administration. Preference will be given to applicants who have practical experience in health care administration and evidence of excellence in teaching. We are seeking candidates who desire to contribute to a large, well-respected health administration.

Please note: Candidates who do not meet the minimum requirements may be considered for the rank of Lecturer. Qualifications for Lecturer include a Bachelor's degree in one of the disciplines mentioned above (Master's degree is preferred).

COMPENSATION
Commensurate with experience.
BENEFITS
CUNY offers a comprehensive benefits package to employees and eligible dependents based on job title and classification. Employees are also offered pension and Tax-Deferred Savings Plans. Part-time employees must meet a weekly or semester work hour criteria to be eligible for health benefits. Health benefits are also extended to retirees who meet the eligibility criteria.
