Essential CUNY & Lehman Digital Tools & Systems Workshop is (Part II) ([Register here](#))

Essential CUNY & Lehman Digital Tools & Systems Workshop is a two-part workshop focused on teaching with technology. New faculty will deeply explore key digital tools essential for effective teaching and learning. Participants will learn to navigate and utilize Blackboard LMS for course management, employ VoiceThread for interactive multimedia discussions, and leverage Turnitin and SafeAssign for plagiarism detection. Additionally, the workshop covers the creation of engaging video content using Camtasia and Snagit, and the efficient use of Yuja for video management and lecture capture.

Presenters:

Susan Lai, Director of Information Technology Support Services

Stephen (Steve) Castellano, Instructional Technology Support Specialist/Blackboard Certified Administrator
