# GRE<sup>®</sup> Fee Reduction Program

At ETS we believe that the cost of taking a GRE<sup>®</sup> test should not be a barrier to graduate study. ETS provides the Fee Reduction Program for individuals who demonstrate financial need and for national programs that work with underrepresented groups. A Fee Reduction Voucher may be used for one GRE<sup>®</sup> General Test and/or one Subject Test. Voucher users pay 50 percent of the regular test fee. Fee Reduction Vouchers cannot be combined with other offers.

## For Those with Financial Need

ETS offers a limited number of GRE Fee Reduction Vouchers on a first-come, first-served basis to U.S. citizens or resident aliens who are college seniors or unenrolled college graduates who meet eligibility requirements.

College seniors must be:

- receiving financial aid through an undergraduate college in the United States, U.S. Territories or Puerto Rico, and
- a dependent, who has a FAFSA Student Aid Report (SAR) that shows a parental contribution of not more than \$2,500 for the senior year, or
- self-supporting and have a SAR that shows a contribution of not more than \$3,000 for the senior year

Unenrolled college graduates must:

- have applied for financial aid, and
- have a SAR that shows a self-supporting status and a contribution of not more than \$3,000

To apply for a GRE Fee Reduction Voucher, complete the GRE [Fee Reduction Request form \(PDF\)](#) and follow the instructions on the form regarding the submission of materials to ETS. Allow up to three weeks for processing and mail delivery.

## For Those who are Unemployed

ETS offers a limited number of GRE Fee Reduction Vouchers to individuals who can confirm that they are unemployed and receiving unemployment compensation. Qualified individuals can register to take the computer-delivered GRE General Test for half the cost of the regular test fee. To learn more about eligibility requirements, instructions for participation and program policies, download the [Fee Reduction Request for the Unemployed \(PDF\)](#).
