The screenshot shows the Swivl dashboard interface. On the left is a sidebar menu with sections: DASHBOARD (Recent activity), MY PROJECTS (Folders, Library), SHARED WITH ME (Feed, Groups), and ADD NEW PROJECT (Record, Upload). The 'ADD NEW PROJECT' section is highlighted with a purple box. The main content area features a profile completion notice, a search bar, and buttons for 'Add Folder' and '+ Add New Project'. Below these are two project cards. The first card has a video thumbnail with a 05:33 duration, a long alphanumeric ID, and a 'Share' button. The second card has a dark thumbnail with a 00:05 duration, the ID 'edpta', and a 'Share' button. A context menu is open over the second card, showing 'Record' and 'Upload' options.
