Education

Student _____ ID# _____

Program: Advanced Certificate 12-15-Credit Extension Program in Educational Leadership
(leading to NYS certification as a School District Leader)

Steps in the Program

Decision Point 1: Admission to Program

Note: Students admitted every fall semester.

Applicants must submit the following:

1. A master's degree in educational leadership from an accredited college or university (applicants may be required to take additional leadership courses pending transcript evaluation). (Applicants who possess a master's degree in a related field (e.g., teaching, school counseling, etc.) may be considered, depending on their current or prior leadership experience, as well as their career objectives. Such individuals may be required to take additional leadership courses pending transcript evaluation.)
2. A minimum of 48 graduate credits (applicants may be required to take additional credits to meet minimum credit requirement);
3. A minimum 3.0 (B) grade point average from a completed graduate degree program;
4. New York State initial or professional certification as a School Building Leader or the equivalent;
5. New York State permanent or professional certification in classroom teaching, school counseling, school psychology, or school social work or the equivalent;
6. A minimum of three years of successful N-12 experience as a leader, teacher, counselor, psychologist, or social worker;
7. Three letters of recommendation: at least one must be from a current or former school site supervisor who can best evaluate the candidate's potential as a district leader, and at least one must be from a faculty member from prior studies who can best evaluate the candidate's potential for success as a graduate student;
8. A current resume detailing all past professional employment and any community or professional organization leadership positions, memberships, and service; and
9. A 1000-word essay that discusses the following: a) reasons for wanting to pursue a certification as a school district leader; b) candidate's philosophy on outstanding urban educational leadership, including the specific characteristics that contribute to effective leadership; c) current assessment of the state of educational leadership in urban schools, including what appears to be the greatest challenges and suggestions for overcoming these challenges; and d) brief analysis of a current educational policy, discussing its pros/cons and its impact on urban districts.
10. Candidates who satisfy the preliminary admissions requirements will be invited to a group interview.

Decision Point 2: Enrollment for Student in the Educational Leadership Sequences of Study

Applicants must meet the following requirements:

1. If conditions were placed on initial matriculation, all conditions must be met by the completion of the first 6 credits;
2. A minimum 3.0 Grade Point Average, a completed internship supervision agreement signed by the region/district internship site supervisor, and permission of the Program Coordinator are required prior to placement in EDL 721 (The Leadership Experience/District Extension); and
3. Demonstrated evidence of ethics, as well as instructional leadership, organizational, administrative, and collaborative skills, through school-based and region/district-based projects.

Decision Point 3: Exit Requirements

Note: (Students who have not completed any leadership internship courses at Lehman College will be required to complete 400 hours (6 credits) of district-level leadership experiences. Therefore, these students will be required to graduate with 15 credits and 400 internship hours.)

Applicants must meet the following requirements:

1. Completion of *12-15 approved graduate credits of study in educational leadership;
2. A minimum Grade Point Average of 3.0 (B);
3. Successful completion of *200-400 internship hours;
4. The New York State Education Department has made passing the New York State Education Leadership Assessment in SDL a condition of program completion (for SDL programs only as per State regulations). A student enrolled in the Advanced Certificate leading to SDL certification, who does not pass the SDL assessment, can enter what the State has termed a “companion program,” whereby the student can still receive the Advanced Certificate but will not be eligible for SDL certification at that time. The companion program has the same admission requirements, curriculum, and graduation requirements. However, students who do not pass the SDL assessment will not receive New York State SDL certification; and
5. The New York State Education Department requires that an applicant for SDL certification have a total of 60 graduate credits, so additional graduate credits may be needed for certification.

Graduate Courses: Degree Requirements

See Program Plan (attached).

I have met with this candidate to discuss program/ certification requirements:

Program Coordinator _____
 Certification Officer _____
 Other _____

I have been advised about the courses that I need to complete my program and certification.
