#### **Independent Auditor's Report**

The Board of Directors
The Lehman College Art Gallery, Inc.

#### Report on Financial Statements

ð

b

We have audited the accompanying financial statements of The Lehman College Art Gallery, Inc. (a not-for-profit organization), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

b

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Lehman College Art Gallery, Inc. as of June 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Report on Summarized Comparative Information

We have previously audited The Lehman College Art Gallery, Inc.'s June 30, 2013 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 5, 2013. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2013 is consistent, in all material respects, with the audited financial statements from which it has been derived.

#### NOTES TO FINANCIAL STATEMENTS

#### Note 1 - <u>Description of Organization</u>:

On April 28, 1986, the Board of Trustees of the City University of New York authorized the incorporation of the Lehman College Art Gallery, Inc. (the "Organization") pursuant to the provisions of the Not-for-Profit Corporation Law of the State of New York. The purpose of the Organization is to encourage and promote the creation of the visual arts; and to plan, develop, and promote cultural and educational activities among the students and faculty of Herbert H. Lehman College (the "College") and the residents of the Greater New York Metropolitan Area.

## Note 2 - Summary of Significant Accounting Policies:

#### a. Basis of Accounting:

The financial statements of the Organization have been prepared on the accrual basis of accounting. Revenue is recognized when earned and expenses are recognized as incurred. Donations are recognized when received.

#### b. Cash and Cash Equivalents:

The Organization considers all highly liquid instruments purchased with an original maturity of three months or less to be cash equivalents.

#### c. Fixed Assets:

Fixed assets are carried at cost, net of accumulated depreciation. Depreciation is recorded over five years using the straight-line method.

#### d. Income Taxes:

The Organization was granted 501(c)(3) status under Section 501(a) of the Internal Revenue Code. Therefore, the Organization is generally exempt from both Federal and State income taxes.

The Organization adopted the provision pertaining to uncertain tax positions and has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements. The Organization is generally no longer subject to income tax examination by the applicable taxing jurisdiction for periods prior to 2011.

#### e. Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

June	30.	2014
	~~,	

## Note 2 - Summary of Significant Accounting Policies (continued):

#### f. Statement Presentation:

The accompanying financial statements present information regarding the financial position and activities according to three classes of net assets: unrestricted, temporarily restricted and permanently restricted.

Unrestricted net assets are not subject to donor stipulations restricting their use but may be designated for specific purposes y management.

Temporarily restricted net assets are subject to donor stipulations that expire by the passage of time or can be fulfilled or removed by actions pursuant to the stipulations.

Permanently restricted net assets are subject to donor stipulations requiring they be maintained permanently.

Income earned on permanently restricted net assets is designated to be utilized as follows:

In 1986, the Organization received a \$25,000 gift to establish the Edith and Herbert Lehman Endowment Fund. The income earned on this endowment is to be used for the gallery.

In 1986, the Organization received a \$50,000 gift to establish the Robert Lehman Endowment Fund. Income earned on the fund principal shall be applied solely for the expenses of special exhibitions in the Organization's art gallery or, with the permission of the Robert Lehman Foundation, Inc., to support the educational activities of the College in the field of visual arts.

In 2007, the Organization received proceeds in the amount of \$739,980, from the sale of a previously donated painting to establish the Pierre and Dorothy Brodin Endowment Fund. Income earned on the fund principal will be used to support the educational activities of the Organization.

#### g. Art Collection:

The Organization has adopted the policy of not capitalizing any of the works currently in its art collection.

#### h. Functional Expenses:

The breakdown of functional expenses into program expenses and administrative expenses is as provided by management using their best estimates as to the appropriate allocation.

#### NOTES TO FINANCIAL STATEMENTS

June	30	2014	
June	JU.	ZU14	

## Note 2 - Summary of Significant Accounting Policies (continued):

#### i. Volunteers:

A substantial number of volunteers made significant contributions of their time to the Organization's programs. The value of this contributed time is not reflected in these statements since it is not susceptible to objective measurement or valuation.

#### j. Concentration of Credit Risks:

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash and cash equivalent accounts in financial institutions, which from time to time may exceed the Federal depository insurance coverage limits.

#### k. Reclassification of Prior Year:

Certain reclassifications may have been made to some prior year account balances in order to conform to current year presentation.

#### I. Subsequent events:

Subsequent events have been evaluated through September 23, 2014, which is the date the financial statements were available to be issued.

#### Note 3 – Investments:

Investments are stated at fair market value. Unrealized gains or losses are reflected in the statement of activities.

The Organization adopted the provisions pertaining to fair value measurements and disclosures which offers a framework consisting of a three tier hierarchy of inputs (Level 1, Level 2 and Level 3) to be used in determining the fair market value of assets and liabilities for disclosed purposes. The following is a summary of the fair value hierarchy of inputs:

Fair value measurements based on Level 1 inputs: Includes quoted prices in active markets for identical assets or liabilities to which the company has access at the measurement date.

#### NOTES TO FINANCIAL STATEMENTS

OUNC JULEULT	June	30.	2014
--------------	------	-----	------

#### Note 3 – <u>Investments (continued):</u>

Fair value measurement based on Level 2 inputs: Includes inputs other than quoted market prices that are directly or indirectly observable for the assets or liability, including quoted prices in an active market for similar assets or liabilities: quoted prices in a market that is not active for the same or similar assets or liabilities; inputs other than quoted market prices that are observable for the asset or liability.

Fair value measurements based on Level 3 inputs: Includes unobservable inputs reflecting the assumptions that a market participant would use to price the asset or liability.

The following table provides the fair value hierarchy of the Organization's financial assets as of June 30, 2014:

Financial Assets		Level 1		
	Money market funds	\$	31,753	
	Bonds		50,863	
	Bond mutual funds		845,813	
	Stock mutual funds	_	281,124	
	Total	\$ <u>1</u>	,209,553	

## Note 4 – <u>Permanently Restricted:</u>

#### Interpretation of Relevant Law

The Organization has interpreted the State Prudent Management of Institutional Funds Act ("SPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (1) the original value of gifts donated to the permanent endowment, (2) the original value of subsequent gifts to the permanent endowment, and (3) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is characterized as temporarily restricted net assets until those amounts are appropriated for expenditure by the organization in a manner consistent with the standard for expenditure prescribed by SPMIFA. In accordance with

#### NOTES TO FINANCIAL STATEMENTS

June 30, 2014

## Note 4 - Permanently Restricted (continued:

#### Interpretation of Relevant Law (continued)

SPMIFA, the Organization considers the following factors in making a determination to appropriate or calculate donor-restricted endowment funds:

- 1. The duration and preservation of the fund
- 2. The general purposes of the Organization and the donor-restricted endowment fund
- 3. General economic conditions
- 4. The possible effect of inflation and deflation
- 5. The expected total return from income and appreciation of investments
- 6. Other resources of the Organization
- 7. The investment policies of the Organization

#### Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires that the Organization retain as a fund of perpetual duration.

## Return Objectives and Risk Parameters

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity or for donor specified periods. Under this policy, as provided by the Board of Trustees, the endowment assets are invested with a moderate level of investment risk.

## Note 5 - Lehman College Revenue:

The Organization received a contribution of \$65,000, for the current fiscal year, for salaries, from the Lehman College Grant Overhead Account of City University of New York ("CUNY") Research Foundation, Inc.

Additionally, the Herbert H. Lehman College Auxiliary Enterprises Corporation, Inc. made a contribution to the Organization to cover certain operating expenses. This amount totaled \$20,000 in the current fiscal year and included \$10,000 from the Auxiliary Enterprise Fund and \$10,000 from Campus Ceremonies Monies.

## NOTES TO FINANCIAL STATEMENTS

June 30, 2014

## Note 6 - Payroll and Related Fringe Benefits:

The Organization's payroll and fringe benefits, including pension contributions for eligible employees, are paid directly by the CUNY Research Foundation and are reimbursed by the Organization. At June 30, 2014, prepaid expenses include \$61,728 paid to the CUNY Research Foundation which is applicable to payroll and fringe benefits for the 2015 fiscal year. The Organization paid the CUNY Research Foundation administrative fees for the fiscal year ended June 30, 2014 totaling \$13,788, which are calculated based on 7.75% of payroll and related fringe benefits.

#### Note 7 - Donated Space:

The Organization occupies 8,561 square feet of donated space for offices and an art gallery located at Lehman College, Bronx, New York. The estimated market value rental of the office and gallery space is \$256,830 including the Organization's share of electric, water, heat, cleaning and maintenance. This fair market value was based upon a space survey prepared for the Organization by the Real Property Manager at City University of New York Department of Space Planning and Capital Budget and is based on \$30 per square foot. The fair market value of this space is reflected in the accompanying financial statements as an in kind contribution and occupancy expense.

## Note 8 - Funding Source Audits:

Pursuant to the Organization's contractual relationships with certain funding sources, outside organizations have the right to examine the books and records of the Organization involving transactions relating to those grants. The accompanying financial statements make no provisions for possible disallowances. Although such possible disallowances could be substantial in amount, in the opinion of Management, any actual disallowances would be immaterial.

## Note 9 - Summarized Comparative Information:

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with general accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2013, from which the summarized information was derived.
