Catering Guidelines to help make your event a success

Customize Your Event:
This is designed as a guide to assist you in planning your menu. Bring us your ideas and let us assist you in
turning them into an event to remember. Our Director of Catered Affairs will be pleased to work with you in
customizing any menu to suit your particular tastes and budget. Our resources allow us to provide special
services to all of our clients and customers.

Successful Event Information:
Metropolitan Foodservice welcomes the opportunity to help you plan your next catered event. This planning
guide has been prepared especially for our guests. In order to ensure the most efficient service, please follow
these procedures when making your arrangements.

1. Pricing - The pricing in this catering guide is applicable to Faculty, Staff, Administrators, and Students.
Pricing for Outside Groups will be slightly higher and can be finalized with our Catering Manager or Food Service
Director. Prices for events that take place on weekends, holidays or in the evening will be slightly higher.

2. Advance Notice - Successful events begin with proper planning. Please be sure to allow enough time so
that you will receive exactly what you need. Events should be planned as early as possible with the
Catering Department.

3. Cancellations – Catered events cancelled within three days of the event will incur a surcharge. Suchcharges
will be assessed as follows: 25% of the total invoice for events cancelled within 72 hours of the start time, 50%
of the total invoice for events cancelled within 48 hours of the event start time, 100% of the total invoice for
events cancelled within 24 hours of the event start time.

3. Guest Count and Guarantees – Please be prepared to have your final guest count submitted 48 hours
prior to your event. We will do our best to accommodate any increases in guest counts prior to your event. In
the event that you exceed your guest count guarantee, you will be charged for the actual guests served at
your event.

4. Billing - All catering invoices must be signed and dated in our catering office. A copy will be given to
you as your invoice to be paid from. An appropriate purchase order number is required for any student
organization who would like catering. Invoices incurred for catering events are due within 30 days of receipt
of the invoice. Groups from outside of the college will be required to pay for their event at the time of booking. We
accept Visa and Mastercard for all catering events. Metropolitan Food Service Inc. reserves the right to deny
catering to any group or department that has an outstanding catering balance of over 60 days.

5. Lost Equipment – Equipment used to cater an event will become the responsibility of the person,
or organization or department booking the event. If, for any reason, the equipment is not returned or available
for pick-up at the commencement of your event you will be charged for the missing equipment.

6. Late Fees – Catering invoices that are 60 days past due will incur a $25 late fee. Please avoid this late fee
and promptly submit your invoices for payment.

7. Sustainability - As part of the Sustainability Initiative at Lehman College, Metropolitan is committed to using
more environmentally friendly supplies at all of our catering events. These items include, but are not limited
to, ecotainer cups, sugar cane based plates, and PLA/cornstarch based cutlery. These items are
considerably more expensive than traditional paper supplies. Therefore we must limit the quantity of each
to cover the actual number of people the order is for. If extra paper supplies are requested, there will be an
additional charge added to the invoice to cover the cost.

8. Additional Charges - In addition to the prices in this catering guide, there may be some additional
charges for your function. These charges include labor charges for wait staff, set-up/clean-up staff, culinary
staff, management staff, linen and china. The Catering Manager will finalize all these charges with you at the
time of booking. All payments made using any major credit card will incur a 3% credit card processing fee.
