

**COMMITTEE ON ACADEMIC FREEDOM
MEETING MINUTES**

DATE: March 20, 2013

LOCATION: Carman B33

TIME: 3:30 to 4:40 PM

PARTICIPANTS:

- Carmen Esteves
- Gaoyin Qian
- Robert Valentine
- Jeffrey Townsend (student representative)

MEETING MINUTES:

The AFC met March 20 at 3:30; Carman Hall, B33.

Present: Prof. Esteves, Dean Qian, and Prof. Valentine (who lead the meeting in my absence) were present from the faculty; Jeffrey Townsend participated as the student representative. I was absent in order to attend a Department Meeting (Economics & Business) that was scheduled on the same date.

- Prof. Valentine mentioned to those present that Prof. Corzo, Prof. Esteves, and himself are up for re-election (April 3 senate meeting) as our terms expire in June; Profs. Buckley and Mazza will be up for reelection in June, 2014.
- We would like to run the AFC-Survey Monkey in mid-April (15 or 16). But need to find out from IT if this is a feasible timeline and about the steps and process to administer the survey using this tool.
- Our goal is to have it completed by the end of the semester and we can evaluate the results during the summer.
- The other item discussed related to periodically updating of the recently-created AFC website.
- Finally, Prof. Valentine (and the others present) set a tentative date for the next meeting as:
Wednesday, April 17 3:30pm, B-33

Respectfully,

Mario A. Gonzalez-Corzo, Ph.D.

Associate Professor

Department of Economics and Business

Extension: 8507
