*Minutes of the Meeting*

Peter Alexanderson, Mario Gonzalez-Corzo, Carmen Esteves, and Robert T. Valentine  
attended the meeting held on Wednesday, March 26, 2014.

*Academic Freedom Faculty Survey Update*

Somehow, our SNAP software got lost during the migration to Windows 7, according  
to Professor Gonzalez-Corzo. He and John Dono have worked “fast & furious” to find  
and restore it. With this, we are now hoping to “go live” in early April. So far, we have  
had two test runs and the survey looks magnificent, but we cannot distribute it until all  
the “creases” are fully ironed out.

*Next Meeting*

The next meeting of the Academic Freedom Committee is scheduled for Wednesday,  
April 30, 2014 at 3:30p.m., Carman Hall Room 201. We encourage *all* of our committee  
members to attend, since this should be our last meeting until September. We will also  
discuss the prospects of moving the meetings to Thursday afternoons, or alternate them  
with Wednesday afternoons, to make these meetings equitable and convenient for all.

Respectfully submitted,  
Robert T. Valentine, Chair
