

Minutes for CAEAS Meeting of Monday, April 01, 2019, 12-1:30 in 313M

Attendees: Drs. O'Hanlon, Campeanu, Scheetz, Magdaleno, Prince, Calvet; Guests: Director Merrill Parra and Dr. Prohaska

We discussed the Transfer Policy Proposal tabled at the March, 2019 Senate meeting. After consulting with Dr. Prohaska and analyzing the proposal, we recommend that the current policy NOT be changed. Rather, that these decisions remain at the departmental level. However, we recommend that departments discuss this so that faculty is aware that this problem sometimes comes up when a student transfers in a Major course having received few credits in it than we grant at Lehman. It is up to the Department to waive the additional credits or not since the coursework has been fulfilled.

Next, we had a discussion about the Sub-committee work. The committee meets tomorrow and will be sending us an update.

We also heard a case brought by Merrill Parra.

We hope to meet again in late April. Submitted, Dr. Penny Prince, Chair of CAEAS
