

**CAEAS Minutes Meeting of Monday, March 20, 2017, 2-3pm in S018**

Present: VP Jose Magdaleno, Professors Elin Waring, Thomas O'Hanlon, Penny Prince, Liliana Calvet; Minh Pham, Sabrina Ramsundar; Guests; Richard Finger and Vice Provost Stefan Becker

1. Richard Finger brought a proposal to change the policy governing evaluation of transfer credits from students coming from schools outside the currently specified Accreditation Commission. We voted to approve this proposal once certain wording is adjusted. We will bring this to Senate when this is accomplished.

2. Stefan Becker asked us to consider the policy determining how students are awarded Lehman College Honors, vis a vis the number of credits they fulfill at Lehman and their record at their previous college. This matter will be discussed further in our April meeting tba.

Respectfully Submitted, Prof. Penny Prince
