CAEAS met virtually to review a proposal for courses to be excluded from the CR/NC option for Fall 2020. The three courses discussed were CMP167, PSY226 and PSY305. CAEAS heard justifications for exclusion of these courses from the Chairs and Advisors in each Department. CAEAS voted unanimously (with a quorum present) to approve exclusion of all 3 courses from the CR/NC policy for Fall 2020.

Respectfully submitted,
S. Campeanu
Chair of CAEAS
