**4. Rationale:**

On November 15, 2021, Governor Hochul signed a bill to amend the education law, in relation to SUNY/CUNY admission requirements for graduate-level teacher and educational leader programs. This [bill](#) removes the requirement that a GRE or similar exam score be submitted as part of admission requirements for graduate-level teacher and educational leader programs. The Department of Health Sciences will no longer require applicants from graduate-level teacher programs to submit GRE scores. However, in conjunction with the School of Education, the department is reviewing other fair and equitable assessment options as a possible admissions requirement.
