 - Title and Course Description ECE 301 was approved as revised, pending feedback from the department
 - Title, Course Description and Note ECE 302 was approved as revised, pending feedback from the department
 - Title and Course Description ECE 311 was approved as revised, pending feedback from the department
6. Anthropology
 - Experimental Course ANT 241 was approved as revised, pending feedback from the department
7. Chemistry
 - New Post baccalaureate Certificate Program was approved as revised, pending feedback from the department
8. Student members raised two issues:
 - Foreign language placement process: Is it possible to increase the role of oral assessments in this process and can the current process, especially as it pertains to students' ability to appeal what they might feel is an incorrect placement be clearly stated in appropriate language course syllabi? Dr. Rosenberg will invite representatives from the department to the April UCC meeting to discuss these issues.
 - Concerns about a specific section of LEH 352 were directed to Dr. Hyman and Associate Provost Brown who oversee the LEH 300-level program.

Next meeting: April 1, 2020, 1 p.m., SC 1405A
