

Minutes from CAEAS Meeting of April 4, 2016

Attendees: Professors Elin Waring, Linda Scheetz, Sheila Blachman, Liliana Calvet, Thomas O'Hanlon, Penny Prince

Discussion centered around two topics:

1)the eligibility of transfer students to receive departmental honors based on a specific number of credits in the major taken at Lehman vs. residency requirements;

2)continued discussion about the Sociology Department proposal regarding a final exam or an alternative assessment given at the end of a semester, with the provision that the final session be used for either one or the other or instructional time.

We will continue to discuss both these issues in future meetings tbd.

Respectfully submitted, Penny Prince 4.4.16
