  - Course change ESC 419 see note 1, see note 2
  - Course change ESC 302 was approved
  - Note 1: was returned because the change is to credits/hours not descriptions and rationales do not address this change
  - Note 2: was approved, unless note 1 is present, except increase in GPA was not approved. Checking whether GPA had already been changed.

- Note 3: Concern that methods courses do not specify that the student's major is expected to be in the discipline. For example, it seems that a student majoring in history with no mathematics background could enroll in 432. Checking whether this is addressed elsewhere in the curriculum?
