A quorum was not present.

This special meeting was called to discuss the Board of Trustees “Draft Resolution on Creating an Efficient Transfer System, 01-06-2011.” In addition to members of the Undergraduate Curriculum Committee (UCC), there were representatives from the Senate Governance and Academic Standards and Evaluation (CAEAS) Committees, the Director of General Education and the Ass’t Dean of Undergraduate Studies and Study Abroad Programs. Dean Timothy Alborn was unable to attend.

Discussion centered around trying to understand the transfer problems that led to the resolution, the meaning of the resolution itself, and the intended and unintended consequences of the resolution for Lehman’s General Education program and more broadly, for Lehman College. The group also considered what, if any, actions should be taken.

It was decided to meet again in two weeks, March 02, @ 12:30 in Carman 263.

Respectfully submitted,
Barbara Jacobson
