

## Science Education Advanced Certificate

This program is designed for candidates who already have a bachelor's and a master's degree in Biology, Chemistry, Geology, or Physics and who seek New York State Certification in one of the following content areas: Biology, Chemistry, Earth Science, and Physics, Grades 7-12.

### ADMISSIONS REQUIREMENTS

- Official transcripts from **all** post-secondary institutions attended.
  - Possess a bachelor's degree (or its equivalent) from an accredited college or university that meets New York State's requirements for a general education core in liberal arts and sciences
  - Have attained a minimum undergraduate grade point average of 3.0
- Possess an approved master's degree in an appropriate content area. Have completed a minimum of 36 credits in biology, chemistry, geology, or physics
  - Master's Grade Point Average of 3.0 or better
- Submit two (2) letters of recommendation
- A 500-word essay that explains interest in pursuing this area of study and future career plans
- Satisfy the content requirements for New York State initial certification
- Submit scores on the NYS Content Specialty Test (CST.)
- Participate in an interview
- Meet additional Departmental, divisional, and New York State requirements, if any
- If conditionally admitted, make up requirements starting in the first semester and finishing in no more than three consecutive semesters
