Introduction

User guide for the Electronic Personnel Action Form (ePAF) System

This document has been designed to assist Lehman Administration Staff with the ePAF system for the following processes:

- New Hire/Initial Appointments.
- Making revisions to an ePAF
- Terminating an employee
- Reappointing an employee

The system requires a multi-step electronic approval process by user roles – Department Secretary (creator), Department Chairperson, Executive Assistant, Dean, Human Resources, Budget, and Payroll respectively.

This aid along with the accompanying screen shots will assist each Administrative Department in performing tasks associated with the specific user role. Access to information about the ePAF and the ability to change data on a form is dependent on the assigned role.

As we utilize this system, it is important that we continue to follow the Lehman College/CUNY policies and procedures. This will ensure that appointments are processed faster, take proactive control over expenses, and ultimately more employees being paid on-time.
Initial Appointments

The following are a series of screen shots outlining the process you must follow to create the ePAF after logging in.

Step 1: Getting to the right ePAF

To begin creating the ePAF double-click “New case” from the menu on the left, then double-click “Part-Time Instructional Staff Personnel Form” (Initiate PAForm).

Please note that moving forward each ePAF will be identified by a “Case #”. The only time the Secretary will have anything in the “Inbox” is if the Executive Assistant or Chairperson has pushed back the ePAF. From here, you will begin the creation of the ePAF.

Step 2: Entering employee personnel data

- After opening up the ePAF, immediately on the next screen, a message will pop up about new hire paperwork. Click “ok” to proceed (see screenshot below).
- Under the “Part-Time Instructional Staff Personnel Form” section, select the appropriate Department.

- Select Employee Job Title.
