

## Blackboard Login Update

Blackboard login procedures changed on Monday, July 3. Use your new CUNY login and associated password when accessing Blackboard. Continue to access Blackboard using the same sites you used in the past (e.g. from the Login menu on the Lehman College Home Page, <http://www.lehman.edu>).

If you experience problems logging in, please clear the cache of your browser.

Your CUNY Login is composed of your CUNYfirst user name followed by **@login.cuny.edu** and uses your current CUNYfirst password. The new login looks like the following for a user with the CUNYfirst username **student.lehman22**:

**CUNYfirst username:** student.lehman22

**New CUNY Login for Blackboard:** [student.lehman22@login.cuny.edu](mailto:student.lehman22@login.cuny.edu)

**CUNY Login password:** same as CUNYfirst password

Note that **@login.cuny.edu** will automatically appear in the username text box. It will only be necessary to insert your CUNYfirst username before the @ sign. The login dialog box looks like:

The image shows a screenshot of the CUNY Login Blackboard interface. At the top, there is a blue header with the CUNY logo and the text "Login Blackboard". Below this, the text reads "Log in with your CUNY Login credentials (CUNYfirst Username@login.cuny.edu and CUNYfirst Password)". The main form contains two input fields: "Username" and "Password". The "Username" field contains "@login.cuny.edu". A callout box on the right points to the "Username" field with the text "Enter your CUNYfirst Username Here". A callout box on the left points to the "Password" field with the text "Enter your CUNYfirst Password Here". Below the input fields is a blue "Log in" button. At the bottom of the form, there is a link for "Forgot Password | Change Password | New User". A note at the bottom of the form states: "Note: Please do not bookmark this page. See FAQs." Below the form, the text "Coming Next..." is followed by logos for DegreeWorks, FACTS, CUNYfirst, CUNYsmart, and the CUNY logo.

Your CUNY Portal username and password will no longer be used for Blackboard.

Lehman One Access users are reminded to update their Blackboard login in this tool.
