

Cybersecurity Assessments Bootcamp

Train as a cybersecurity consultant, conduct a real risk assessment for a Bronx small business, and deliver professional security recommendations — paid experience.

HOW IT WORKS:

- ✓ Train as a cybersecurity consultant and learn how to perform professional risk assessments.
- ✓ Conduct a real cybersecurity risk assessment for a Bronx small business and present recommendations to the business.

After the bootcamp, students will apply their training by conducting a real cybersecurity risk assessment for a Bronx small business.

BOOTCAMP DATES:

 **April 1, April 2 & April 8 – 1PM to 4PM**

 In Person: Lehman College, CUNY 250 Bedford Park Blvd W
Bronx, NY 10468
(Room – to be provided)
