## Graduate TEACH Grant Application (2025-2026)

Name \_\_\_\_\_EMPLID: \_\_\_\_\_

Phone: \_\_\_\_\_ Last 4 Digits of SS# \_\_\_\_\_ Expected Graduation Date: \_\_\_\_\_

### Indicate Your High-Need Subject Area from the List Provided

Program: \_\_\_\_\_

#### I Understand That:

1. TEACH Grant is only available to students who are training to become certified teachers in a high-need subject field (see other side for Lehman College eligible programs) and who plan to teach in low-income ([Title 1](#)) schools.
2. I must enroll in courses and accumulate credits necessary for the completion of teacher certification in one of the above subject fields.
3. For each year that I wish to receive TEACH Grant funds, I must file a [FAFSA](#) (Free Application for Federal Student Aid).
4. Each year's TEACH Grant award requires that I complete a new "[Agreement to Serve](#)" contract and completion of new [TEACH Grant Entrance Counseling](#).
5. I must have an earned cumulative undergraduate and graduate GPA of at least 3.25 or submit proof of scoring at or above the 75<sup>th</sup> percentile on a national college admissions test.
6. Continued eligibility requires that I maintain a cumulative graduate GPA of 3.25 or submit proof of scoring at or above the 75<sup>th</sup> percentile on a national college admissions test.
7. I must complete a four (4) year service obligation, at a low income school, within eight (8) years of finishing teacher training.
8. Upon completion of each year of teaching service, it is my responsibility to submit to the Direct Loan Service Center documentation of such service.

By signing this form, I certify that I have read this form and request that Lehman College determine my eligibility for TEACH Grant funds. If it is determined that I am TEACH Grant eligible, I further request that this grant be added to my financial aid award package.

I understand that should I receive TEACH Grant funding and fail to complete the service obligation, all of my TEACH Grant funds will be converted into a Federal Direct Unsubsidized Stafford Loan, with interest accrued and capitalized from the date(s) of original disbursement(s). Once this grant is converted to a loan, it cannot be converted back to a grant.
