

Master of Science in Business

Specialization in Finance

Lehman College has established a graduate program leading to the degree of Master of Science in Business (MSB) with a specialization in Finance. The objective of this curriculum is to satisfy the growing need in today's business environment for professionals who have developed the necessary expertise, insight, and vision in tackling the technical, interpersonal, and conceptual problems specific to their chosen managerial subfields. The program also constitutes a threshold into higher academic or professional pursuits, such as earning a doctorate in business or law.
