Dear Faculty,

We're excited to share that **all Summer 2025 courses** will be taught using Brightspace, CUNY's new Learning Management System. This marks an important step in our LMS transition, and we're here to support you every step of the way.

What You Need to Know:

- Your Summer 2025 courses are now live in Brightspace. CUNY Central is migrating 525,000 courses across CUNY – approximately the last four years of course data. The migration consists of **course content only** – not student data. See the "**Blackboard to Brightspace**" manual to guide you and a "**Working With Migrated Courses**" guide.

- To access Brightspace:

  Log in at **https://brightspace.cuny.edu/** using your CUNY Login credentials *(e.g.,* firstname.lastname##@login.cuny.edu*)*. This link can also be found under the "Login Page" of **Lehman College homepage**.

- Contact **Your Brightspace Ambassador,** **13** Lehman faculty available to help you set-up Brightspace and enhance your use of the LMS as an instructional tool.
